

Financial Assistance for FLAG2006

Turkish Participants.

All Turkish participants should contact Dr Tuncer Demir (tdemir@harran.edu.tr) concerning registration for the conference and field trip. A variety of options are available for accommodation in Izmir in order to reduce costs and financial support for field trip attendance is available.

Postgraduate Students

Non-Turkish postgraduate students who wish to attend the meeting should contact Prof Darrel Maddy (darrel.maddy@ncl.ac.uk) to discuss financial assistance.

Note that only limited funds are available and reductions for postgraduates cannot therefore exceed £100 per head.
